

THANK YOU

for graciously supporting

the 2012 SLS Auction!

Both online and live events were very successful and this could not have happened without continued support from our SLS families.

Stay tuned next week for the exciting total raised!

Let Your Child's Imagination Soar!

Camp Invention is led by local, highly-qualified educators who believe in a team environment.

Here are some of the real world challenges your child could face this summer at Camp Invention in...

- ▶ **the CREATE program:**
Saving Sludge City™ - Help save the pollution filled Sludge City! Construct eco-friendly buildings and transportation, decontaminate the city's water and generate green solutions!
- ▶ **the ENVISION program:**
Magnetropolis™ - Ahoy! Set sail to the magnificent island of Magnetropolis and explore the power of magnetism. Build boats, buildings and towers!
- ▶ **the ENCOUNTER program:**
Lost Treasure™ - Use all of your problem-solving skills to recover the lost treasure. Create a shelter, cross a volcano, feed a hungry islander and navigate a booby-trapped passage!
- ▶ **the INNOVATE program:**
Power'd™ - It's alive! In a secret lab, build your own motorized creature and bring it to life while helping a mysterious scientist harness the power of nature.

"Camp Invention changed my child's outlook on science and learning."
